Here there's a song that God calls down
 And it's keeping me dancing
 Nobody else knows how the melody goes
 But it's keeping me dancing
 Besides you
 Oh, and, love, I got the light just when the dawn
 Set me up with all these words
 And I watch them fall like rain
 And I know

What can I do, to build that bridge to lead you
 Come on and open up, open up my love
 Why don't you tell me what's really on your mind?
 Come on and open up, open up my love
 Tell me what you need so we don't have to fight

My heart's gonna last for the rest of my life
 I'd like to be your person
 You look good in my arms
 Hold me closer
 Like the way you breathe

I'll be there if you need me
So do any damn thing
I'll be there if you need me
So do any damn thing
I'll be there if you need me
So do any damn thing

only the alive
I remember
I'll be there if you need me
So do any damn thing
I'll be there if you need me
So do any damn thing

Changes

People they come and people they go
When the leaves change and the colors they show
Through every bush and every tree
I'll be there if you need me
So do any damn thing

People they come and people they go
When the leaves change and the colors they show
Through every bush and every tree
I'll be there if you need me
So do any damn thing

People, they come, and people they go
When the leaves change and the colors they show
Can you hold on through the seasons?
Through the seasons, seasons old...
Through every light, through every low
A beautiful lie (if you like), it never gets old
Can you hold on through the seasons?
Through the seasons, oh...

My fault, that's the truth, I won't lie
Fucked it all up, now I'm trying
I hate that I loved you, oh-oh-oh
Talk shit, yeah, we get outta here
But I got a little warmer when I'm inside
White flag, can we face it?

Whatever weather, it's rain or shine
Whether it's pain, pleasure, good and hard times
We might go 'round and 'round, but I won't let down
People, they come, and people they go
When the leaves change and the colors they show
Can you hold on through the seasons?
Through the seasons, oh...

Through every light, through every low
A beautiful lie it never gets old
Can you hold on through the seasons?
Through the seasons, oh...

You slipped a couple times, but it's fine
'Cause if I started pointing fingers, you would be mine;
I don't want to judge you
You see from the side when I'm blind
You're the one I'm calling when I need a lifeline
I got I don't want to lose you
Whatever weather, it's rain or shine
Whether it's pain, pleasure, good and hard times
We might go 'round and 'round, but I won't let down

I hate the world today
You're so good to me, I know but I can't change
Tried to tell you but you look at me like maybe
I'm an angel underneath
I'm innocent and sweet

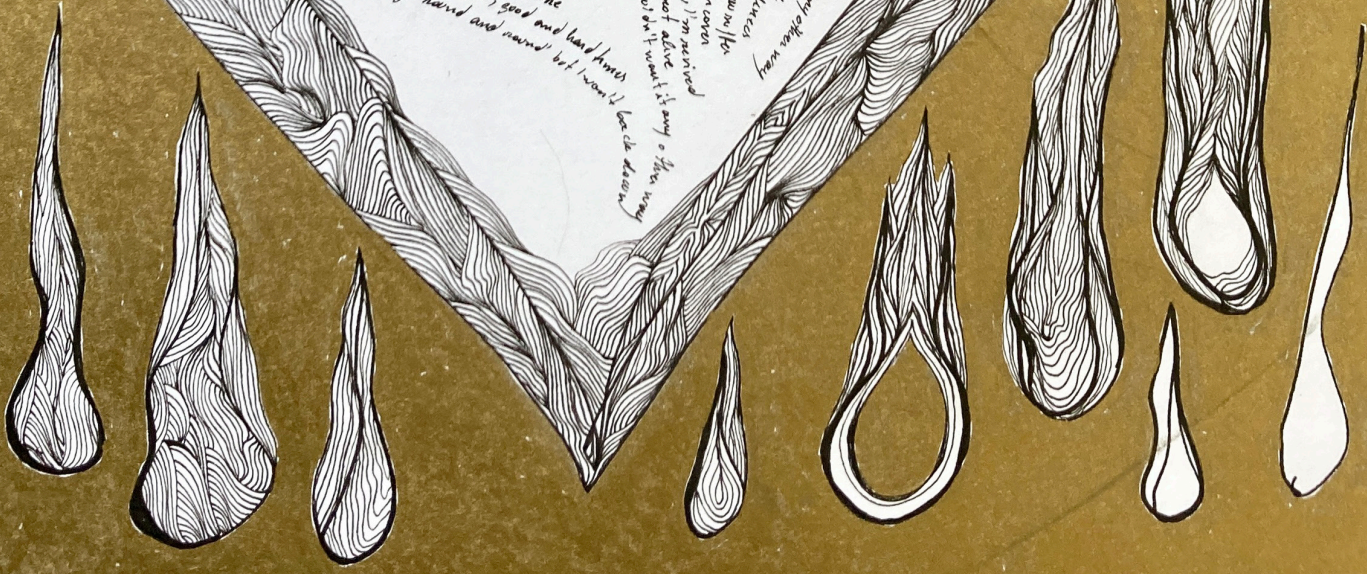

Yesterday I cried
You must have been relieved to see the softer side
I can understand how you'd be so confused
I don't envy you
I'm a little bit of every thing all rolled into one
I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm no thing in between
You know you wouldn't want it any other way

So take me as I am
This may mean you'll have to be a stronger man
Rest assured that when I start to make moves
And I'm going to extremes
Tomorrow I will change and today I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm no thing in between
You know you wouldn't want it any other way

You know you wouldn't want it any other way
I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm no thing in between
You know you wouldn't want it any other way

I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm no thing in between
You know you wouldn't want it any other way

When you hurt, when you're in the
in your world, under cover
The heart wants, I'm not alone
Can't you see I'm not alone
You know you wouldn't want it any other way

'cause
leads

'cause
It leads
I've been
I've been
I'm lookin'
I walked
Heaven
Ref is
'cause

... of the night, you know that I caught it,
... a piece, you know that I bought it,
... window, I'm always waiting for you
... their eyes, what doesn't kill
It's blue, the fucking
... in breakable

... and some times
and, but I won't talk down
they go
the colours they show
neurons?

...
ough every low
aged old
the neurons?
oh...

le fibres, but it's fine
painting fingers, you would
judge you
the side when I
one I'm

Can you blow
 my nose
 Set off my
 whole body
 If I give you
 my time, can
 you snatch me
 out from me
 I don't want
 to wait, it
 some take it
 and waste, just a
 feeling that I won't, I won't
 I ain't been before. Can you blow
 it's no or that bring
 I ain't been before. Can you blow
 it's no or that bring

After me. I thought it would be easy, easy to forget me, let go of the memories. New year has
 been for long you'll see, when I'm gone
 look for me
 you're chasing the danger
 you'll never forget. When I'm gone
 you're not moving on but no one is gonna
 touch you
 I do, no, you'll never forget. When I'm gone
 you're not moving on but no one is gonna
 touch you
